On Behalf Of:

Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

To whom it concerns,

I strongly oppose SB1599 which moves the referendum petition up to May 19, 2026. This will impose undue burden upon all Oregonians if not given a fair and unbiased vote by the peoples of the state of Oregon.

Trying to move the vote on this measure up May 19, 2026 is unfair and supersedes what petition 2026-302 original intent is to allow the people of Oregon to have a fair vote.

It will, if passed, cause a great financial burden on working people who already pay high taxes within the state of Oregon.

Thank you for your attention to this matter.

Gail - Native.
