Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or SB1599  
Topic:

I signed a petition saying that this issue would be on the November ballot. It needs to stay where it was intended to be, on the November ballot! Please stand up and do the honest and ethical thing and vote "No" on this. To do otherwise makes you look weak and unscrupulous. Be the representative we need!

Sincerely,

Melinda A Montgomery
