I signed the referendum that stated that the public would vote on the November ballot. Changing the rules is not what i signed up for. I specifically signed the document to have the vote be brought to the people of Oregon on the November 2026 ballot. If you move it to May you are not listening to your constituents, the one's who elected you to your positions. Please do not abuse your power. This vote should be by the people in November 2026.
