Measure, Appointment or Topic:	SB1599

The referendum clearly stated in print to have it put on the November ballot. Putting it on the May ballot is not what 1/4 of a million signers said. You are still ignoring the will of the people if you choose to move it to the primary.

Every representative working to move this referendum to the primaries is NOT listening.

The problem is not the money. The problem is misrepresentation and overspending. ENOUGH IS ENOUGH! We are prepped and ready to challenge and defeat this blatant abuse of power. ABUSE OF POWER!!!
