Members of Congress,

I strongly urge you to vote NO on this bill to move SB1599 from the General Election to the Primary Election. The people spoke when 250k Oregonians signed a petition to have the proposed gas tax bill put onto the ballot in NOVEMBER. Stop playing games and subverting the will of the people. YOU work for US and you appear to do everything but that, and rather continue to drive a political ideology that serves only you. These shenanigans you play behind closed doors in an attempt to subvert your constituents is not lost on us. Do the right thing.
