Family and I strongly oppose SB 1599. Over 250,000 Oregonians signed signatures knowing this was to be on the November 2026 election. The very corrupt and totally inept governor played games with not signing her bill of taxation thinking we wouldn't gather the signatures need, well she was wrong. Now she wants it changed so it won't be on the November 2026 with her also on the ballot where 250,000 people have told her no! Now she is using her party corrupt minions want to change the date to May which is against the Oregon constitution. People wanting the change to May are same as the governor corrupt and inept. Enough is enough, we the people want the decision on the tax to be in November not May.

We the People of Oregon want our signatures to be honored in a vote in November. Oppose SB 1599. Thank you.
