Tamara Smith

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

I am opposed to SB1598. This bill shifts medical decision-making away from individuals, parents, doctors, and legislators and to unelected bureaucrats. Individuals must have the right to make the best decisions for their health based on input from their medical professional. Clearly the state run health bureaucracy is not capable of or qualified to guide individual health decisions.

Thank you,  
Tamara Smith
