Measure, Appointment or Topic: SB1599  
Legislature:

Here we are again! 2500,000 Oregonian voiced their opposition to your tax bill, but again you don't care what the people of Oregon say. You want to distance yourselves by changing the vote date to May. Aren't you proud of tax you pushed through? Why wouldn't you want your name on the same ballot? Because you know that by separating the dates. You know in May the turnout maybe be low. You are the most deceptive and evil group of Democratic and Rino politicians I have ever encountered. You are right up there with Washington DC. Don't like it ,change the rules in mid-game!

The people are on to you! You live in a bubble. You care only for your power and your re-election! You don't ever do what is right for the people of Oregon. You spend our money wherever you want, all of your pet projects, and we all see how well that has gone. Children that can't read, spell, or do math. Oregon is at the bottom. Mass homeless, with no end in sight. Drugs everywhere! So sit there and be proud of yourselves and all you haven't accomplished!!
