Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

As a legal resident, native born Oregonian of the United States of America, I totally oppose SB 1599. SB 1599 completely violates the petition that over 200,000 tax payers (including myself) signed. That petition explicitly stated the voting would be done on November 3, 2026. We, the people, have the right to expect our wishes to be heard and followed, properly and fairly. SB 1599 is a slap in the face to all voters. It is saying, don't bother to vote, since we won't follow the rules or even play fair. At what point did you stop caring about the people you are supposed to represent?
