Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or Topic: SB1599

SB 1599 was introduced on Thursday, that moves my voice to repeal \$4.3 Billion Dollar gas tax from my November Ballot to the May Ballot! Then Governor Kotek and her Democrat Super majority created a Special Joint Committee to FAST TRACK their bill through the process!

Not only is there historically lower voter turnout in the May primary, but this will make it nearly impossible to gather the necessary signatures to place arguments in favor of repealing Governor Kotek and her Super majority's \$4.3 Billion Dollar Tax & Fee Scheme in the Voter's Pamphlet!

250 thousand Oregonians have already signed a referendum demanding the vote be held in November. Governor Kotek is purposely avoiding my wishes and a majority of the peoples wishes.

This is Unacceptable
