This State lawmakers may care very little about the poorer citizens among us who live on fix incomes. I can't afford the TAXES that I have pay now. Do you want to force all of us to move out of the State of Oregon? I oppose this bill because I signed a petition for it to be on the November ballot. Do not dilute my voice and the voices the other 250,000 Oregonians who took the time during the holiday season to sign and gather signatures. Even though the governor delayed signing the bill to shorter the time to gather said signatures on a bill that was supposed to be urgent.
