Topic: SB1599

I oppose all efforts to remove financial information from our voter pamphlets. Now and in the future. I understand the Governor and her peeps are trying to remove requirements to include cost information (SB1599) in our voter pamphlets. I rely on that information to make my decisions. If this is approved, I and others will file a lawsuit claiming the people did not have enough information to vote and demand a new vote. Don't waste your time.
