Members of the Joint Special Committee on Referendum Petition 2026-302:

I am opposed to moving the vote on Referendum Petition 2026-302 to the May 19, 2026 ballot. Please leave the Referendum on the November ballot as currently scheduled.

It is a well-known fact that voter turn-out in the spring election is significantly lower than the November election.

This issue is important to Oregonians and should remain on the ballot where it's more likely that a larger number of Oregonians will vote.

Thank you for your consideration.
