Measure, Appointment or Topic: SB1599

To Oregon State Legislature: Keep the gas tax referendum on the November ballot so ALL THE PEOPLE IN OREGON can vote on it!! It is outrageous that the Democrat members of our STATE LEGISLATURE all want to push through raising the taxes on vehicle registrations and raise the gas tax without giving LEGAL VOTERS the opportunity to voice their wishes. People in the state of Oregon pay enough in taxes as it is! Our STATE REPS should all be working to help the people in Oregon with the economy, NOT PILE ON MORE TAXES, to hurt the people! WE ALSO WANT NO BOYS PLAYING IN ALL GIRL SPORTS! Get that message to this state's TWO SENATORS who don't seem to give a dang about girl's rights, girl's well being, girl's ability to win scholarships to college, girl's ability to win trophy's! WE VOTERS ALSO WANT VOTER ID so everybody knows who is legally voting. ALLOW the Government to come into the state of Oregon and review our voter registrations so WE NO LONGER HAVE ANY DECEASED OR ILLEGAL people voting! Oregon voters also want the illegal criminals removed from our state and our country! The list keeps growing; DO THE RIGHT THING FOR CITIZENS IN THIS STATE! Thank you, Nancy Granata
