Topic: SB1599

Dear lawmakers,

I'm writing to urge you to represent your fellow Oregonians. Fair representation includes by partisan efforts on explanations of new laws, estimated cost of new laws, and putting putting your yourself in my shoes. My husband and I both work and keep a tight budget. With our kids in sports and grocery cost through the roof and wanting to get out on the weekends to explore our beautiful state. We cannot afford another increase in something such as fuel that is unavoidable. I urge you to find a solution in a more creative way that gives back to your work constituents rather than it takes more. Keep up the good fight and know that myself, my family and my friends all oppose SB 1599.

Thank you,

Lynn Selvig
