Dear Joint Special Committee on Referendum Petition 2026-302,
I oppose this bill and ask that you do the same. The people of Oregon spoke loudly through the petition drive to put this on the November ballot. Do not circumvent the will of the people. You are elected by these same people to represent them. Moving this to May would not only go against the will of the people, but also not provide adequate time for information in the voter's guide.

NO on SB 1599
