Measure, Appointment or Topic: SB1599

As we all know voter turnout in OR Primary elections is a fraction of November elections and this is just another effort by Democrats to disenfranchise Oregon voters.

We already watched Gov Kotek delay signing this to play the same game, when will you act responsibly and with honor.

This vote needs to be in Nov so all sides have time for formulate alternatives and arguments and so the majority of the people can decide. thanks Richard Cummings
