On Behalf Of:  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or SB1599  
Topic:

I am writing to express my strong opposition to SB 1599 and the movement of the Referendum Petition vote to the May Primary. This would disenfranchise all voters who signed the petition but are not registered as either Republican or Democrat since they are not allowed to vote in the Primary. As those who claim they represent all Oregonians - if you move forward with the date change, your bias will be confirmed and it will be clear that you only represent your own interests.

Please vote no on SB 1599 and do not move the Referendum to the May Primary.
