

Submitter: Andrew Shooks

On Behalf Of:

Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

SB 1599 directly opposes the will of over 250,000 Oregonians who, in good faith, petitioned to have the more egregious parts of the transportation to a referendum of the people during the general election in November.

This attempt to circumvent the will of the people is unconstitutional and immoral.

If you truly represent your constituents, you will respect our wishes.

Sincerely,

Andrew Shooks
