Topic: SB1599

I oppose moving the date Referendum Petition to May.
I helped to collect the signatures for this initiative and people who signed were outraged not only with the increase in taxes but also with the way our Democrat legislators and governor Kotek handled the whole process by delaying signing the ODOT funding bill until the last moment and, thus, limited time for the signature gathering.

I gathered signatures in a heavily democratic district and people were lining up to sign.

Oregonians across the board are FED UP WITH YOUR POLITICAL GAMES.

Please stop the bill and vote NO on SB1599!!!
