2026-302

Measure, Appointment or Topic: SB1599

Quit playing around with our tax dollars and stick to the date we were guaranteed of Nov 3, 2026. Where we the people will vote on this bill as petitioned. We are done with the mind games this administration in Oregon is playing and tired of the poor decision making destroying our state that was once beautiful! WE do not want to be another California or Washington state! You want to be that you move there and leave us alone.
