

Submitter: Ali Wood

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1598

To whom it may concern:

I am writing to express my opposition to SB 1598. If passed, this bill would grant broad power to unelected public health officials to make decisions affecting all Oregonians, without further legislation or public debate. Medical decisions should stay between individuals and their providers.

Vote no on SB 1598.

Thank you.
