Measure, Appointment or SB1599
Topic:

Regarding SB 1599 We the People told you what we wanted in our petition drive. The Legislature already had the chance to address this issue and chose not to. So we signed a petition to get your attention and WE want to vote on this bill in NOVEMEBER not May!

We want this on the November ballot where the majority of Oregonians focus their attention and vote!. Over 200K of your bosses spoke LOUDLY yet you continue to ignore us? I would be fired from my job if I ignored directions from my boss; why do you, our legislators, feel they can ignore the will of the people of Oregon?

Changing the date of this bill now is unfair and disenfranchises hundreds of thousands of Oregonian's about the importance of their participation in the voting process and their ability to decide what is good for their State and for their family.

Please do the right thing and respect the will of Oregon voter! Leave this bill on the November Ballot as directed!
