Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

We ask for the opportunity to vote on this on the November ballot as it needs to be. We the people of Oregon have used our voice and disagree with this transportation bill and the fact that our governor wants and thinks she can continue to push us Oregonians around and change it to the ballot in May is just another time she doesn't listen to the people of Oregon and does what's best for them.
