How many different way's do We the People have to say NO! My family is opposed to this sleight of hand. We want a clean up or down vote on the November ballot.

I am sickened by how the taxpayer has been run rough shod over by the Legislature. I oppose this tax hike for many different reasons. The state has been a very poor manager of our resources.

Transit tax? For what bum rail in Portland, bike trails to nowhere, empty buses? Do we need maintained roads, yes. It is time for this state to go on a diet; our money is being bled out. We have to live within our means, time for the state to cut spending. Listen to the thousands of people who oppose this shady legislation.
