It seems to me that this government tries to manipulate the results of elections. I strongly oppose moving the referendum from November to May. I need a little time to find out what is wrong with my ballot in Marion County. I have lived at the same address in Gates Oregon since 1984 that is 41 years. Last election I did not get a ballot. My step son lived with us for 2 years, then moved to Idaho. He has been living and voting in Idaho for the last 5 years. Yet I continually get his ballot in the mail, every election. So tell me the voter roles are clean. And I will call you a liar.
