Measure, Appointment or SB1599  
Topic:

**Opposition testimony to SB1599**

I wish to testify against SB 1599. The purpose of this bill is to disenfranchise those that

signed the petition to put the Transportation lase passed in 2025 on the November ballot to  
put before the voters.

When the Transportation package was in the legislative process, the Oregon State Senate

and House, voted in favor completely disregarding the massive public testimony  
against  
passage.

Please do not repeat this colossal mistake by using your political power to change  
the

wording of the petition signed by approximately 250,000 voters in a historic number  
of  
days.

Vote no on SB 1599, return to your role as servant leaders and not merely power  
brokers.

Yours,

Annette Lathrop
