2026-302  
Measure, Appointment or  
Topic: SB1599

Members of the Committee,

I strongly oppose SB1599. I also strongly oppose the ongoing subversive, dirty dealing and gamesmanship continually employed by the Democrat supermajority.

Do you understand the gravity the overwhelming support for the anti-tax referendum represents? 250,000 signatures were collected in a matter of weeks!

When we signed that petition, we also demanded that the referendum be placed on the November 2026 ballot - NOVEMBER, NOT MAY!

This bill is nothing more than political manipulation. Our esteemed Governor is worried about the impact the tax measure will have on her re-election chances, so she wants it moved to the May election, which traditionally has a smaller and narrower turnout.

Well, forget it! The will of the people is clear - we want to vote on that referendum in NOVEMBER!

Thanks.
