Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

I am submitting this testimony in strong opposition to SB 1599 as it relates to moving a voter- initiated referendum to a smaller election turnout date. I urge lawmakers to respect the integrity of Oregon's referendum process and oppose any effort to move citizen-led measures to smaller election dates. Democracy works best when participation is maximized, not minimized.
