2026-302

Measure, Appointment or  
Topic: SB1599

I oppose SB1599

I believe a bill of this caliber should be on the November ballot. Just because our Governor is worried it will make her look bad its its on the same ballot as her, who are we changing law to give her a better chance? She created this monster with her misallocation of our tax dollars. If this is moved to primary in May you will loose even more trust with Oregonians.
