Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

I am writing today in opposition of this bill. Petitioners, when signed the petition, signed with the understanding it would appear on the November 2026 ballot. Moving this to May would be a disservice to all 250,000 Oregonians, and more, who would like a vote on this matter. It is known the May primary is a low voter turnout. I urge a no vote on this bill.
