

Submitter: Louis S Smith

On Behalf Of:

Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

I am a born and raised Oregonian in Harney county. I am ashamed of actions of our legislature. You need to listen to the people you supposedly represent and do not move the voting to the May Primary. My wife and I collected around half of the signatures on the referendum that were collected here in Harney County and we even got signatures from other county voters. We the people have spoken and we would hope you are listening to us and not Governor Kotek. Thank you
