Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

The people of Oregon submitted enough signatures in record time to stop our state government from taxing Oregonians for the money problems our state keeps getting us into. We do not want you to ignore us. We want you to listen to us. It's time to move money from other areas to fund ODOT. We have the money. You don't need to keep trying to squeeze lemon juice from a dry lemon. Do not pass this bill!
