I am in opposition. Most of you don't care because you're NOT. But if you shove this through once again, subverting the will of the people who have been opposed since the start... well I really do a) feel sorry for you because YOUR re election battle is coming and there's a Lotta hatred in this state for this tax bill and b) think you're idiots and money grabbers pushing most folks away from Oregon. Gee, I wonder why? Park taxes, road taxes, paddle board taxes, innertube taxes... you gonna tax the air we breathe too? Not rocket science here folks! You push it to May and it won't matter that Tina is trying to get re elected... even the democrats can see through your stupidity! November will not go well for you!
