

Submitter: Tammi Schneider

On Behalf Of:

Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

Oregon Law specifically states that once a bill has gathered the required number of signatures and those signatures are approved, then the measure is placed on the November General Election ballot. Any changes to this long-standing law not only undermines our state constitution but further degrades any limited belief in our current or future administration. I urge you to vote NO on this measure and leave the Oregonian's vote as requested.
