

Joint Special Committee On Referendum Petition 2026-302  
Measure, Appointment or Topic: SB1599

Dear Legislators,

This is offensive to Oregonians who followed the process and are being undermined by elected officials.

We signed the the “No Tax Oregon” petition and knew if enough signatures were gathered, it would be on the November ballot.

It’s obvious that moving it to May, a smaller voter special election, was a partisan ploy to decrease the number of people voting. Also, this being on the November ballot may impact numerous statewide elections, including the gubernatorial race. We see that, you aren’t fooling anyone.

The citizens of Oregon want a vote on this in the November election. This is what Oregonians want!!
