SB1599

If Oregon leaders truly want to save our democracy and elevate the voice of the people, now is your chance! Oregonians have made it clear that we want a say in how much money is taken from our family budgets in the form of taxation. Moving this vote to a lower turnout election is to stand against democracy. If you believe in the will of the people, who hired you to represent them, then vote NO on moving the Referendum Petition to the primary election.
