Topic: SB1599

I oppose SB 1599: Governor Tina Kotek and the Salem Democrats continue to breach the trust of Oregonians. The Democrats are obviously slow learners. More than 250,000 Oregon voters spoke loud and clearly against new taxes, yet they continue to try to silence our voices. They should have learned by now that Oregonians do not want to pay more taxes! I am a single retired lady, and I am already struggling under the weight inflation and high tax burdens. Furthermore, the Legislature is prohibited from repealing a bill once it qualifies for Referendum vote by the people.
