It's disgusting how the people of Oregon are being silenced. We need new leadership that isn't greedy and blind with power. We need leadership that wants to improve Oregon for the simple Oregonian. I opposed the tax by signing the petition. We succeeded even with having half of our time to gather signatures sabotaged by Kotek. I oppose this because the people have spoken and we need to be heard. But this probably won't even be read because the people of Oregon don't matter to 90% of our government here in Oregon.
