The vote on the Bill should remain in November. If you move the bill to May you are silencing and ignoring 250,000 people who signed the petition. I stood in increment weather for 4 days to collect signatures. People who signed were both Democrats and Republicans. People were angry and determined to sign. It is time to listen to the people that you represent. We can't afford more taxes. We already rank 3rd in the nation for higher taxes. People are being taxed out of their homes especially the elderly!
