We The People of Oregon are done with your childish ways, after we have told you no on stealing money from us!!!! We are your boss and you will do what we say. We know what we want, and what's good for our state. So stop throwing your baby fits and grow up. You are not getting another dime from us again. If you were smart, you would just sit there and collect the paycheck th you don't deserve and keep your mouth shut. Because you will be ousted when your cheating vote by mail goes by by. And that is why you want to change it to the primary in may. We say hell no not going to happen. So sorry it sucks to be you
