2026-302  
Measure, Appointment or SB1599  
Topic:

I oppose moving any ballot measures from November to the May election. Many people are in opposition of the bill that was crammed through in a special session and they followed the rules to get the referendum to be on the November ballot. Listen to the people of the state of Oregon and their wishes and positions and not special interests who only serve a few. Thank you!
