Committee

I watched the hearing at 1pm today... seems a lot of people had the very same thing to say and did so with passion.

SB 1599 appears to be just more contempt to the voice of the citizens.

The process of elected Democrats from Gov Kotek down through the legislative body, was indifferent to the will of the citizens.

I oppose SB 1599 with all the contempt, the citizens have been given by the Governor and super majority who said " we didn't figure you could get the signatures needed ".

Well we did... and with a lingering resolve to see it on the November Ballot.

KILL THE BILL

I'd demand a legislative action on the floor of the legislature, that subpoenas Gov Kotek, President of Senate Wagner and Speaker of the House Fayhe to explain their actions in this process.

Maybe Rep Javadi and the Democrats that voted for the Tax aught to be compelled to speak too.
