Measure, Appointment or SB1599  
Topic:

You so call "Representatives of the People" and senate elite in Oregon think that you can manipulate our democratic processes and our republic. You only serve you self-interests. **YOU HAVE PROVEN TOO OFTEN THAT YOU DO NOT SERVE THE WILL OF THE PEOPLE.**

We The PEOPLE (250,000) spoke loud and clear against your unconstitutional ODOT tax this fall. We The People followed the constitution and submitted an overwhelming amount of signatures to refer your unconstitutional tax to The People of Oregon for a vote this coming November 2026. Now you are scared – good, I am glad you fear losing your worthless governor and your one-party rule in the next election.

Now, stop manipulating the laws to favor your party and avoid the inevitable and the truth. **DO NOT PASS SB 1599.**

Because you live in an echo chamber of progressive think, you all fail to understand that 5th generation Oregonians like me and my family are seriously considering leaving Oregon. Many of our friends have already. You are driving good people and businesses out of this state.
