THIS BILL NEEDS TO BE DROPPED IMMEDIATELY. It is great fodder for upcoming elections to help people know who NOT to vote for though. I wouldn't let the SOS write me a letter of introduction to the YMCA much less the financial estimates, explanatory statement and arguments relating to this measure. He can't even figure out how to run an honest election.....but now that I think of it, maybe that's why his name is all over page 2 of the bill.

IT IS DISHONEST, ILLEGAL (since our Constitution states it MUST be at the general election in November), and DESPICABLE. Whenever we see the names Fahey, Wagner and Read we will associate them with this illegal attempt to squash the voice of Oregon voters. We will remember you!
