On Behalf Of: All Oregonians  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or Topic: SB1599

The people have spoken. This is where you listen. We signed the petition to put this on the November ballot, not to put it on the short session ballot in May. Moving this matter to the May 2026 session would be tantamount to saying the will of the people shall not be considered.
