2026-302

Measure, Appointment or
Topic: SB1599

The fact that this is being moved up is a testimony to what is wrong in Oregon. We should not be wasting money and time on moving this up. This should be in the general election where there is the highest turn out and let the people vote. We are growing tired of the games politicians are playing. It is a privilege to serve, not a career, and not a power grab.
