2026-302

Measure, Appointment or Topic: SB1599

Please do NOT change the time for voting on the referendum Petition 2026-302 from November to May. I not only signed the petition but also helped gather a few signatures to get it on the November ballot. Normally there is a much smaller turnout in May versus in a November mid-term election. The voice of the people will not be heard! Please keep it on the November ballot. Thank you!
