Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or SB1599  
Topic:

I oppose this on the May election, we have already had over the required signatures and have it established to be voted on in November. Governor tried to push this through without our consideration and now must be held accountable. She just doesn't want any association of her re election to be tied in with this bill. There is a much larger voter turn out in November than in May. The people of Oregon have already spoken !!!!!
