Measure, Appointment or SB1599  
Topic:

I oppose SB 1599. I signed a petition to refer the gas tax to the November 2026 election. Circumventing the will of the Oregon voters is not democratic. Moving the vote on the gas tax to the May primary election is a cowardly political move and proves Oregon democrat lawmakers do not care about the citizens of Oregon. All this supermajority does is try to cram awful bills and taxes down Oregonians throats. We the people are tired of this tyranny and hypocrisy.
